

Table Tennis Continues to be a Hit at Tavistock Area Support Services

The Table Tennis Club run by Tavistock Area Support Services for those over 55 has received support from Sport Relief, with a grant to purchase equipment so as to play league Table Tennis.

The Club that started just over twelve months ago on a Thursday now meets three days a week and over 30 members access this activity each week.

Lorraine Robinson who oversees the sessions said ' Table Tennis is a wonderful activity for people to take part in, we have people of all standards, who just enjoy playing the game, the grant from Sports Relief will mean that in the Autumn we will be able to compete against other Clubs in the local league'.

The Devon Community Foundation who administers the grant said, they were thrilled to support such a thriving activity in achieving their goal of playing competitive Table Tennis, as well as providing a table for Bere Ferrers outreach centre, so they can continue to enjoy the sport.
